What is PD Walkers?

PD Walkers is a non-profit group committed to walk or run an event at a marathon to raise awareness of PD, to empower and inspire people living with PD, and to raise money to support the fight against PD. PD Walkers is for anyone concerned with finding a cure for Parkinson's disease.

What is Parkinson's disease?

Parkinson's disease is a progressive neurological disorder affecting more than a million Americans today. A person with Parkinson's disease gradually loses the ability to totally control their body movements. The symptoms of Parkinson's disease include tremors or trembling (shaking hands are often the most telltale signs of it); difficulty maintaining balance and coordination; trouble standing or walking; stiffness; and general slowness. Currently there is no cure, but with your help there is hope.

Do I have to be in a marathon?

No, you can choose any type of event to raise funds, ie. 5k, 10k, walk, run, bike, swim, triathlon, duathlon, etc. PD Walkers was formed in Des Moines, so we chose the Des Moines Marathon as a challenge and a way to get the word out.

How do I join PD Walkers?

Fill out the registration form and mail to the address listed or go online to the link: www.pdwalkers.org click on the event you are interested in and print out the PD Walkers registration form and mail to address listed below. If you are collecting donations, mail with check(s) made payable to PD Walkers.

How much does it cost to join PD Walkers at the Minneapolis Marathon 2010?

It is free to join the PD Walkers at the Minneapolis Marathon. We do ask each team member to donate or fundraise \$250 before May 14, 2010. You will receive a "PD Walkers at the Minneapolis Marathon" dri-fit t-shirt. To help reach your goal set up a personal fundraising page at:

https://secure.getmeregistered.com/get_information.php?event_id=3143

*PD Walkers registration is separate from the Minneapolis Marathon registration. All athletes must also register and pay entry fees at www.minneapolismarathon.com.

find a cure, one step at a time

PD Walkers is a non-profit organization whose mission is to increase public awareness and raise funds for the Parkinson's disease cause. We are dedicated to provide local PD organizations with funds which will help provide education, resources and support to PD families in the community.

Where does the money go?

In 2008 PD Walkers raised almost \$6000 and in 2009 \$9000 for the Iowa Chapter-American Parkinson Disease Association (APDA). APDA the largest grassroots Parkinson's disease organization in the United States and our local IA Chapter supports the IA Parkinson Disease Information and Referral Center which is a great resource for the entire state of Iowa.

The funds raised from the PD Walkers at the Minneapolis Marathon 2010 will be used to fund local education and resources for those affected by PD in the Minneapolis area.
